Welcome and Purpose

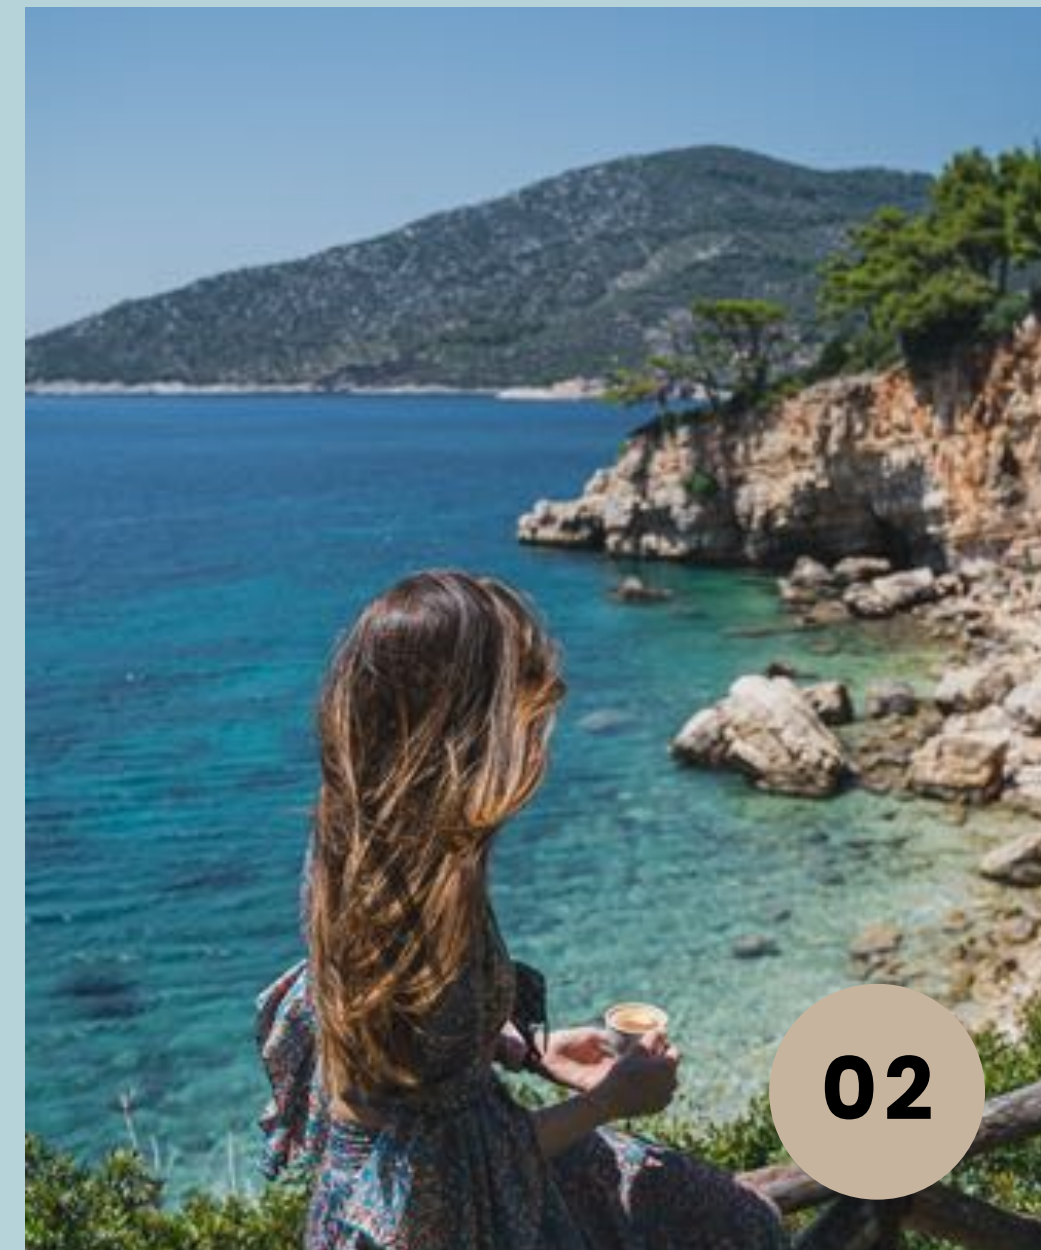

Sparkling shores, soul-stirring views and unrivalled luxury. Get closer to nature on the unspoiled island of Alonissos.

Built on a hill with a majestic view and located on the southwestern peninsula of the island of Alonissos, Marpunta Resort offers an idyllic retreat. Nestled in the heart of the national marine park, the resort boasts close proximity to numerous pristine beaches, providing guests with easy access to some of the island's most beautiful coastal spots.

Prime Location Highlights

A resort in an unspoiled island, with three private beaches and rooms on a hill overlooking the blue waters of the Aegean, built in the style of a traditional fishermen's village. Tennis courts, Wellness Facilities, swimming pools, taverna and restaurants by the beach, this is a unique resort that will captivate you and in which you will create everlasting memories. Strolling around the resort or ascending the hill to go to your room, will make you feel how important is to commute with nature. This is the ideal getaway for those who want to experience the pristine side of Greece.
